Greeting in the name of Jesus:

Time is fastly approaching for our **52nd GMWA Annual Board Meeting** (*planning session*) I'm asking each of you to continue to intercede on behalf of travel as the people of God come from far and near. We are praying for the leadership of the convention in the person of our Chairman Bishop Albert Jamison and Executive Board along with the staff, for guidance and direction from God.

Most importantly we are praying for a move of GOD in each sessions and evening services. **THIS YEAR!!!!** Our hearts desire is that God will do a new thing we want to see God move as never before, an outpouring of the spirit, healing, deliverance. I am encouraging each of you to stay prayerful and stay focus we have an assignment as intercessors.

Those of you who can and will please meet me in the Grand Ballroom 15 mins of prayer.

God bless each of you.
