

A GUIDE TO OVERDRIVE ON YOUR ANDROID PHONE

Available for download from the Market, or from OverDrive. OverDrive is also available for iPhone, BlackBerry and Windows Mobile.

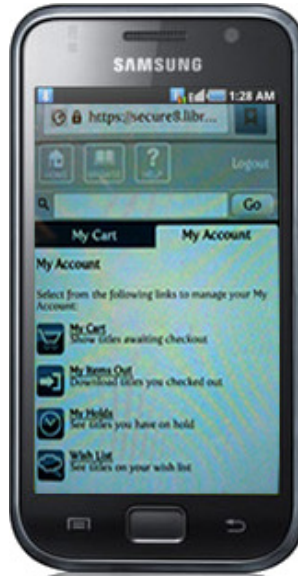

Point your browser to idcc.lib.overdrive.com

Select Harrison County Public Library from the list.

After logging in, you can search and download.

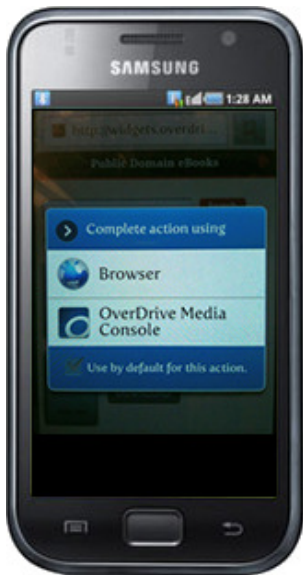

Download & install the OverDrive Media Console.

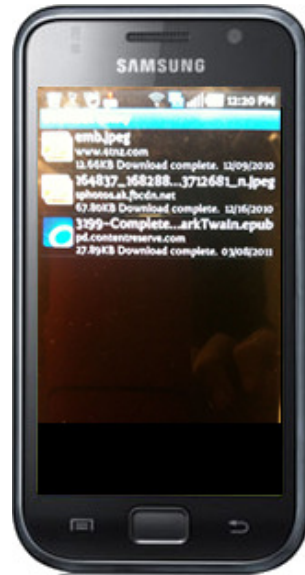

Use the Media Console to manage your downloaded audiobooks & eBooks.

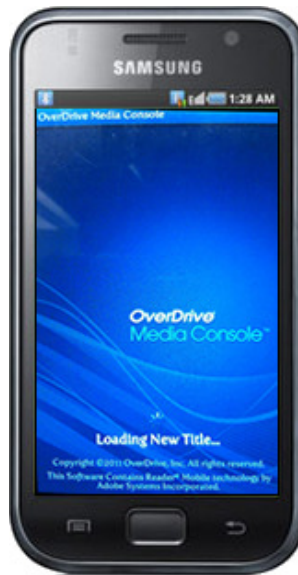

When downloading eBooks, choose to open with your browser or the ODMC.

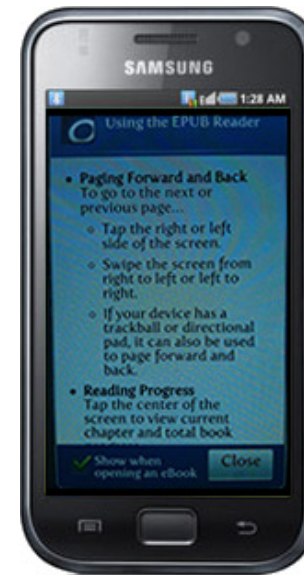

When the Browser is selected, the eBook file transfer progress appears.

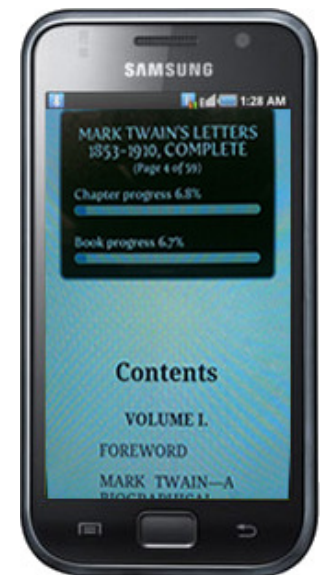

Once the download is complete, you can open the title within the ODMC.

Instructions in using the EPUB reader are displayed.

Enjoy your downloaded titles!
