How to use these cards

1. Cut up the cards and put in the middle of a group of students.
2. Pre-teach and put on the board - "Where did you go? How did you get there?"
3. Students pick up a card and others ask questions. They can ask more questions. Get them to use their imagination!
4. Give a set of cut up cards to each group. Lay them in a pile, face down.
