June 28-30, 2019

We are pleased to welcome you to Myhrene Gård for the 4th Norway GC Open. Myhrene Gård has four full size croquet lawns in a fantastic environment. The pitch has a steady inclination, which will only mean the players' focus must be even more focused during play.

Format

The tournament will start on Friday at 12:00 and continue until Sunday afternoon. After the final there will be a prize ceremony.

Participation is limited to 24 players. There will be a group stage played in 4 blocks of 6 players followed by a knock-out and plate. All block matches will be one 13-point game. Knock-out matches will all be best of three 13-point games. The plate will be played in 4 blocks followed by semi-finals and a final. All plate matches will be one 13-point game. The format guarantees all players a minimum of 8 games.

The format will be adjusted if fewer than 24 players participate. Play will be double banking on 4 lawns.
